ACTING as a forum for the exchange of information and market intelligence.

STIMULATING contact and networking between like-minded professionals.

PROVIDING an indispensable service in a vitally important sector of the UK economy which affects worldwide trading and markets.

ANSWERING the industry's need for interpretation and advice on legislation and other relevant regulations.

CREATING new opportunities for your business through promotion on the industry's leading website.

WORKING closely - both at home and overseas - with Government Departments and other agencies, committees and organisations which are in a position to affect or influence the industry.

OFFERING a wide range of value-added, relevant services assisting companies to survive and prosper and to aid the professional development of both management and other employees.

LEADING the industry in such major initiatives as the Phytosanitary (plant health) scheme in collaboration with the Forestry Commission and BM TRADA.

SUPPLYING legal, technical and product-related information, advice and guidance.

PROMOTING the interests of the industry in the Press and other media.

OPERATING a Code of Practice, binding on all Members, to ensure the maintenance of the highest standards of quality and full confidence and satisfaction.

Look at these valuable membership benefits:

- Legal, technical and product-related information, advice and guidance
- Meetings, contacts and network access
- Market data
- Sales development opportunities
- Training
- Recognition and status in the marketplace
- Publications
- Influence over Government and other agencies
- Press and Media support and promotion
- Links with related national and international organisations
